BACKGROUND:

April 29, 1988	FLORIDA LOTTO® is introduced. The first drawing, with an estimated \$2 million jackpot, occurs on May 7, 1988, and results in a rollover.
February 6, 1993	The FLORIDA LOTTO prize structure changes to provide higher prize payouts for LOTTO players.
November 15, 1998	FLORIDA LOTTO jackpot payout changes from a 20-year annuity to a choice between a 30-year annuity and a one-time, lump-sum payment (cash option).
October 24, 1999	Wednesday drawings are added to the FLORIDA LOTTO schedule, the matrix changes from 46 to 53 numbers, and players who matched three, four, or five of six numbers now receive substantially larger prizes.
March 2, 2008	The Florida Lottery began offering \$2 and \$3 play LOTTO PLUS™, which allow players to add millions more to their jackpot.
October 11, 2009	FLORIDA LOTTO with XTRA is introduced, replacing LOTTO PLUS. The \$1 add-on feature offers players the opportunity to win extra on non-jackpot prizes.
September 9, 2013	JACKPOT COMBO is introduced, offering players the convenience of playing all three big jackpot games in a single transaction. For \$5, players receive one \$2 POWERBALL®, one \$2 FLORIDA LOTTO® with XTRA and one \$1 MEGA MILLIONS® Quick Pick ticket for the next available draw date.

* Since inception through January 31, 2020.
