

SUMMARY OF REVISIONS TO RETAILER RULES EFFECTIVE JUNE 26, 2020

Below is a brief summary of changes to the Sale of Lottery Tickets rule that are primarily related to the launch of the Florida Lottery's Mobile Convenience App ("App"). It is your responsibility to review the rule in its entirety and comply. Thank you for doing your part to uphold the integrity of the Florida Lottery!

Rule 53ER20-53 Sale of Lottery Tickets

- Sets forth provisions prohibiting book, ticket or ticket stock exchange with other locations or other retailers.
- Adds provisions for retailers to process digital play slips generated on a player's mobile device using the App.
- Adds provisions for use of digital play slips by players to purchase Draw game tickets through vending machines that offer Draw games.
- Adds additional provisions related to vending machine purchases.
- Adds provisions related to the Play it Again feature.
- Updates Fast Play™ game purchase provisions. Players may use the App to provide a digital barcode to a retailer to scan and process a Fast Play game ticket purchase through the terminal.
