(2) How to Play CASH4LIFE.

(a) In CASH4LIFE, players select five numbers from a field of one through sixty and one number from a separate field of one through four for each Play.

(b) Players may make their CASH4LIFE ticket selections by marking a play slip or by telling the retailer their desired selections. There are five panels on a play slip, each containing an upper play area and a lower play area. Each panel played will cost \$2.00 per Play, per drawing. Players may mark their desired numbers on the play slip by selecting six numbers (five in the upper play area and one in the lower play area) from each panel played. Players may also mark the “QP” (Quick Pick) box located at the bottom of each play area for the terminal to randomly select any or all of the six numbers from either or both play areas. A “Void” box is also located at the bottom of each panel and should be marked by the player if an error was made in his or her selections in a panel. For each panel played, the first five of the six numbers appearing in a single horizontal row on a CASH4LIFE ticket shall be the numbers selected from the upper play area of the play slip, and the last number shall be the Cash Ball Number selected from the lower play area of the play slip.

(c) Players may mark the \$10 “Quick Picks for next draw” box to receive one ticket with five sets of six randomly selected numbers for the next CASH4LIFE drawing, or may mark the \$20 “Quick Picks for next draw” box to receive one ticket with ten sets of six randomly selected numbers for the next CASH4LIFE drawing. Players may mark Quick Picks in addition to panel plays.

(d) Players must use only blue or black ink or pencil for making selections. The use of mechanical, electronic, computer generated or any other non-manual method of marking Play Slips is prohibited. Play slips may be processed through a Florida Lottery full service vending machine or processed by a Florida Lottery retailer to obtain a ticket. Retailers also are authorized to manually enter numbers selected by a player.

(e) Advance Play. Players may play up to twenty-six consecutive CASH4LIFE Drawings by using the “advance play” feature. To use the advance play feature, players may either mark the number of drawings desired in the “Advance Play” section of a play slip or tell the retailer their desired number of consecutive advance drawings. The number of consecutive drawings marked will include the next available drawing and will apply to each panel (A-E) played. In the event that a planned change in the CASH4LIFE game requires that the number of advance plays

available for purchase be reduced to zero before implementation of the change, an advance play countdown schedule will be posted on the Florida Lottery's website.

(3) CASH4LIFE Drawings.

(a) CASH4LIFE Drawings to determine the CASH4LIFE Winning Numbers shall be conducted at the studios of New Jersey Lottery Headquarters (or elsewhere as determined by the Party Lotteries) on Monday and Thursday at approximately 9:00 p.m., ET; however, the day, time or location of Drawings may be modified as determined by the Directors and publicly announced by the Party Lotteries. * Leap Day does not count for purposes of prize calculation.

** The Cash Option amount will be determined as set forth herein.

(8) **Prize Liability Limitation.** In the event that a Liability Limit would be exceeded for a particular Draw, the prize amounts for Top and Second Prizes shall be adjusted in accordance with a formula established by the Party Lotteries so that the aggregate liability for prizes in such Draw shall not exceed the Liability Limit.

(a) **Top Prize** – For any drawing, if the total liability exceeds \$7,000,000 (there is more than one winning Top Prize ticket sold), the Top Prize amount for each winning ticket shall be \$7,000,000 divided by the number of winning tickets sold.

(b) **Second Prize** – For any drawing, if the total liability exceeds \$5,000,000 (there are more than five winning Second Prize tickets sold), the Second Prize amount for each winning ticket shall be \$5,000,000 divided by the number of winning tickets sold.

(c) In the event that any single drawing should produce more than seven Top Prize winners and at least one Second Prize winner, both the Top Prize and Second Prize will become pari-mutuel prizes. The total prize pool to be allocated equally among the total number of winners in this scenario will total \$7,000,000 plus the lesser of \$5,000,000 or \$1,000,000 multiplied by the number of Second Prize winners. Each Top Prize and Second Prize winning ticket will share the defined prize pool equally for the cash value, and the Annuity Option will be calculated as set forth in paragraphs (9)(b) and (10)(b).

(9) **Top Prize Payment.** In any single drawing, a Top Prize shall be divided equally among the number of Top Prize Winning Tickets. Except as provided herein, a Top Prize shall be paid either as an annuity (“Annuity Option”)

or lump sum cash payment (“Cash Option”). Top Prize winners have sixty days after the winning draw date to choose between the two payment options. Once the Top Prize winner signs the Winner Claim Form, files a claim and exercises the winner's chosen option, the election of that option shall be final and cannot be revoked, withdrawn or otherwise changed. If the Top Prize winner does not elect the Cash Option within sixty days after the winning draw date, the Annuity Option will be applied, except as provided in [subparagraph \(9\)\(b\)\(2\)](#), below. Shares of the Top Prize shall be determined as follows:

(a) If there is one Top Prize winning Play, the annuitized Prize value will be \$1,000 per day for life, paid in annual installments of \$365,000, or a one-time lump sum cash prize payment of \$7,000,000.

(b) If there is more than one Top Prize winning Play and the liability limit is exceeded, the Top Prize will be paid on a pari-mutuel basis. The Top Prize Cash Option shall be a lump sum cash amount equal to \$7,000,000 divided by the number of Top Prize Plays for the drawing, rounded down to a whole dollar value. The annual payment amount shall be the pari-mutuel cash value divided by \$7,000,000, multiplied by \$365,000.

1. If there is more than one and less than or equal to fourteen Top Prize winning Plays, the minimum annuitized prize value will be \$500 a week for life, paid in annual installments.

2. In the event there are fifteen or more Top Prize winning Plays among the Party Lotteries, no Annuity Option shall be available. Rather, the prize money for the Top Prize shall be \$7,000,000 divided equally among all Top Prize winning Plays and paid in one lump sum payment to each winner. The minimum Top Prize shall not be less than any prize payout for the second through the ninth prizes for the same CASH4LIFE Drawing.

(10) Second Prize Payment.

(a) Except as provided herein, a Second Prize shall be paid either as an annuity (“Annuity Option”) or lump sum cash payment (“Cash Option”). Second Prize winners have sixty days after the winning draw date to choose between the two payment options. Once the Second Prize winner signs the Winner Claim Form, files a claim and exercises the winner's chosen option, the election of that option shall be final and cannot be revoked, withdrawn or otherwise changed. If the Second Prize winner does not elect the Cash Option within sixty days after the winning draw date, the Annuity Option will be applied, except as provided in [paragraph \(10\)\(b\)](#), below. For each Second Prize winning Play, the annuitized prize value will be \$1,000 per week for life, paid in annual installments of \$52,000, or a one-time lump sum cash prize payment of \$1,000,000, unless a liability limit would be exceeded.

(b) If a liability limit is exceeded for the Second Prize, the Second Prize shall be paid on a pari-mutuel basis. The Second Prize Cash Option shall be an amount equal to \$5,000,000 divided by the number Second Prize winning Plays. The Annuity Payment amount shall be the pari-mutuel cash value of the winning ticket divided by \$1,000,000 multiplied by \$52,000. If the liability limit is exceeded and the annuity prize value of a Second Prize falls below \$500 per week for life, then all Second Prize winning Plays will be paid in a single lump sum cash payment and no annuitized payment option will be available. The minimum Second Prize value shall not be less than any prize payout for the Third through the Ninth Prize levels for the same CASH4LIFE Drawing.

(11) **Annual Payment Schedule.** The winner of a Top Prize or Second Prize who elects the Annuity Option will receive the first full annual installment as soon as reasonably possible after the prize claim is validated. All subsequent annual payments for prizes claimed by an individual will be paid in equal annual installments for the life of the winner, with a minimum of twenty years of payments. All subsequent annual payments for prizes claimed by a trust, corporation or other legal entity shall be paid in equal installments, such that the total payments (including the initial installment) equal twenty years of payments.

(12) **Third through Ninth Prize Payment.** The Third through Ninth Prizes will be paid as Set Prizes and paid in one single cash payment.

(13) **Prizes Rounded Down to Nearest Whole Dollar.** All prize levels will be rounded down to the nearest whole dollar.

(14) **Life Annuity Requirements and Restrictions.** An Annuitant will be paid their appropriate Top Prize share or Second Prize share on an annual basis for their Measuring Life, or for the twenty year term of the Guaranteed Annuity Portion whichever is longer. At the end of the guaranteed twenty year payment period, Annuitants will be required to provide required evidence to the Lottery that they are still living in order to receive any Deferred Annuity Portion Installments. Annuitants will be required to provide such evidence on an annual basis prior to receipt of their next scheduled payment. In the event that an Annuitant dies within the twenty year Guaranteed Annuity Portion, any remaining prize payments in the Guaranteed Annuity Portion will be paid as set forth in the rule of the Florida Lottery governing payment of prizes. A copy of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(15) **Interest or Earnings accruing on a CASH4LIFE prize.** Any interest or earnings accruing on a CASH4LIFE prize prior to the prize payment shall accrue to the Florida Lottery and not to the winner.

(16) Taxes. Federal withholding taxes shall be deducted from prizes for which it is applicable in accordance with the Internal Revenue Code and Code of Federal Regulations.

(17) CASH4LIFE Rules and Prohibitions.

(a) By purchasing a CASH4LIFE ticket, a player agrees to comply with and abide by all rules of the Florida Lottery.

(c) Florida CASH4LIFE prizes shall be claimed only through a Florida Lottery retailer (for prizes less than \$600) or Lottery office beginning on the first business day following the drawing. Top Prizes and Second Prizes must be claimed at Lottery headquarters. The Lottery is not authorized to accept claims or pay prizes for CASH4LIFE tickets purchased in other jurisdictions.
