

PRIVACY ACT NOTICE CLAIMANTS OF TICKETS VALUED AT \$600 OR MORE

Under the Federal Privacy Act, disclosure of a person's Social Security number is voluntary unless a Federal statute specifically requires such disclosure or allows states to collect the number. For claimants of winning lottery tickets valued at \$600 or more, disclosure is required by 26 U.S.C. s. 3402 and 26 U.S.C. s. 6109 for tax withholding and reporting purposes. The Lottery may also provide this information to law enforcement agencies to enforce criminal laws.

Under Section 119.071(5), Florida Statutes, an agency may collect Social Security numbers if it is imperative for the performance of the agency's duties and responsibilities. Notice is hereby provided that it is imperative that the Lottery collect the Social Security number of a claimant of a ticket valued at \$600 or more to determine whether the claimant owes an outstanding debt to a state agency or child support collected through a court, pursuant to Section 24.115, Florida Statutes, because the Social Security number is used as an identifier in the databases searched.
